NEXT AUCTION

The GEOFF GETHIN Collections

The next sale will be the Autumn Postal Auction on **Saturday, 6 November 2010**. This will be a special auction devoted to the collections of the late Geoff Gethin, our former Membership Secretary who died last year. There will be a particularly strong representation of booklets, postal stationery, WWII, Anti-TB, proofs and trials, *Cours d'Instruction*, Liberation overprints and poster stamps. If room permits I will also offer some material which I currently hold from other members. Consequently, I am unable to accept any further material for inclusion in the November sale. *Merci de votre compréhension.*

However, if you wish to put lots into the Winter Postal Auction, please have them ready for submission by the end of October. Full details will appear in the next catalogue.

If you require information about the auction, whether as a buyer or a seller, please consult the guidelines published in Journal N° 252 (June 2009) page 43, or contact me for a copy which can be sent by post (large SAE please) or by email.

Thank you
