

FRANCE & COLONIES PHILATELIC SOCIETY

Winter Auction : 24 January 2026

Requests for viewing of individual lots by email scans to be sent by 7 January to **DAVID PARMLEY** whose address will be found in the current Journal. Enquiries welcome, preferably via e-mail dparmley@jhgl.co.uk or by phone 07464 926250. Thanks to all who participated in the last auction. In the end there were 50 buyers and 30 % of lots sold. For this renewal 14 vendors have entered 795 lots of which 52% (417 lots) is newly listed and the re-offered items have generally been discounted significantly so plenty of interest. Please note there will be no unsold items offered as there is so little interest and the process only serves to delay closure and pay the vendors. **Please see the IMPORTANT ANNOUNCEMENT and notes after the**

listing.

IMPORTANT ANNOUNCEMENT

With some regret I have to announce that this is my nineteenth and final auction for the society. I must say it has been a pleasure to examine and describe such a large quantity of philatelic material covering all aspects of the hobby. However, the real joy has been derived from providing members with a wealth of opportunities to add to their collections and conversely providing vendors the means to dispose of surplus material and the funds to apply to other purposes, perhaps to improve their principal collections. Finally a huge thank you to members who have assisted me along the way and for which I am so grateful.

I am pleased to report that Roger Niven will be taking over as auction secretary and accordingly all material for the next (Spring 2026 closing for bids in May) and subsequent auction should be sent to:

ROGER NIVEN

Whose address will be found in the current Journal.

Email rogerniven@aol.com

PLEASE NOTE FOR INFORMATION:

1. For Metropolitan France items YT cat Nos in brackets have been provided by the auctioneer based on inspection of the material. EUR cat values have generally been provided by the auctioneer and taken from YT Tome 1 2025 edition
2. For Colonies items SG numbers in brackets have been provided by the auctioneer based on inspection of the material. GBP cat values have generally been provided by the auctioneer and taken

from SG French Colonies 2016 (1st and most recent edition)

3. Everything which has been received is included in the sale above so that material for the next sale is eagerly awaited
4. Scans of the most expensive or interesting items offered are displayed on the website
5. If any bidder wishes to settle by bank transfer please pay to FCPS HSBC A/c 91104519 sort code 40-18-22. For good order please would you be kind enough to advise me by email. Those paying internationally would require the IBAN GB40HBUK40182291104519
6. Paypal settlements should include a 4% surcharge (to cover charges) and be made to treasurer@fcps.org.uk
7. Despatch of won lots – in some cases the vendors will despatch items personally so winning bidders may receive lots in advance of other won lots and their statement. Won lots are despatched promptly and unsuccessful bidders are notified of their outturn. If you have not been notified within two weeks of the close date please contact me to advise so that lost sendings can be followed up quickly.

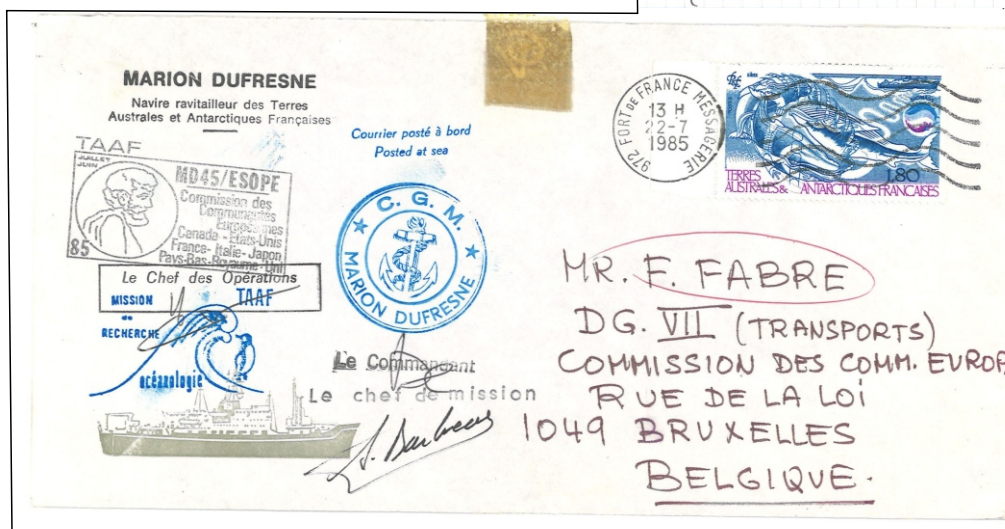

The **next sale** will be the Spring auction closing for bids May 2026. Please continue to support the auction by sending material to **ROGER NIVEN, WHOSE ADDRESS WILL BE FOUND IN THE CURRENT JOURNAL**. Contact may also be made phoning 07766 751412. I suggest you ring before posting to check availability to receive them. When submitting material, please remember to include the following:

- a) a checklist of the items sent
- b) a description of each lot (use the current auction catalogue as a guide to the information required)
- c) catalogue numbers where applicable and specifically Yvert & Tellier for Metropolitan France (and/or S.G.), SG for Colonial issues.
- d) a reserve price (**minimum of £2 per lot and please no odd pence for lots reserved over £10**)
- e) protective packaging for each separate lot (transparent envelope, stockcard etc)

Thank you.
David
