

FRANCE & COLONIES PHILATELIC SOCIETY
Summer Auction: Closing 26 September 2026

The summer auction comprises 800 lots. Scans of some of the lots may be seen in the August Journal, on the web-site or in this catalogue. Requests for scans of other individual lots to be returned by Email attachment, should be sent to Roger Niven at rogerniven@aol.com by 12 September. Requests for scans to be returned by post should be received by **Roger Niven whose address is in the current Journal.** by 5 September and must include a SAE (A6) for return. Other Enquiries welcome, preferably via e-mail rogerniven@aol.com or by phone or text on 0776 675 1412 . For this catalogue we have moved from using a "Word" based platform to "Excel", which should be easier to administer and slightly clearer to read. The format is similar with unsold lots from the Spring Auction listed first, usually with a reduced (sometimes substantially) reserve, and then the new material: which in this auction includes a lot of new material from the French Colonies, together with some unusual items from military hospitals, mini-sheets from Polynesia, and the French Zone in occupied Germany.
