## Winter Auction Saturday 3 February 2018

Requests for viewing of individual lots by email scans (not too many please) to be sent by 31 January to **Steve Ellis**, Enquiries welcome, preferably via e-mail [Steve@homestead75.co.uk](mailto:Steve@homestead75.co.uk) or by phone 01782 208669.

**Well, after the last mega-auction we're back to its usual size. The strong section of stamps in the last catalogue did not sell well so I hope we're on firmer ground with the varied postal history, including good collections of railway and maritime mail as well as Alsace-Lorraine and franchise mail, on offer here.**

**I'm definitely in need of more material for the next auction, particularly things**

**that are a bit unusual, as well as older postal history which always sells well. Please search for surplus material!**

The **next sale** will be the Spring Postal Auction in early June. I do need more items for sale so please send material to **STEVE ELLIS**, preferably by January. Contact may also be made phoning 01782 208669 or e-mailing [Steve@homestead75.co.uk](mailto:Steve@homestead75.co.uk). I suggest you ring me before posting to check I will be in to receive them.

When submitting material, please remember to include the following:

- a) a checklist of the items sent
- b) a description of each lot (use the current auction catalogue as a guide to the information required)
- c) catalogue numbers where applicable and specifically Yvert & Tellier numbers for stamps
- d) a reserve price (**minimum of £2 per lot**)
- e) each lot to be separate and packaged separately (transparent envelope, stockcard etc).

More unusual material is likely to sell better: run-of-the-mill stamps are unlikely to sell, based on the experience of the last couple of years.

Thank you.  
Steve.
